Mobile phone + SMS method was removed on 1st of June 2025

A screenshot of a web interface. At the top right, it says "Milos CIRIC" next to a gear icon. The main heading is "Successful login". Below it is a white box titled "Phasing out notice". Inside this box, there is a warning icon (yellow triangle with an exclamation mark) followed by the text: "You have logged in using the 'Mobile Phone + SMS' method, which is being phased out. Please register another verification method as soon as possible. Select 'My Account' and follow the instructions in the [Frequently asked questions](#) [external link icon]. If you intend to register another method later, click on Proceed." At the bottom of the white box are two buttons: "Proceed" (white with a blue border) and "My Account" (solid blue).

Successful login

Phasing out notice

 You have logged in using the 'Mobile Phone + SMS' method, which is being phased out. Please register another verification method as soon as possible. Select '**My Account**' and follow the instructions in the [Frequently asked questions](#) . If you intend to register another method later, click on Proceed.

Two-factor authentication will become mandatory by the end of 2025

A screenshot of the EU Funding and Tenders Portal website. A dark blue navigation bar at the top contains links: "Procurement", "Projects & results", "News & events", "Work as an expert", and "Guidance & documents", each followed by a downward arrow. Below the navigation bar is a banner with various images. A white modal box is centered on the screen, containing the following text:

Protect your EU Funding and Tenders Portal account with the Two-factor authentication (2FA)

Two-factor authentication will become mandatory in the course of 2025.

Get informed, protect your account with a more secure login process and **activate** the Two-factor authentication now!

Go to the **security setting** to activate it or read more at the [HOW TO](#)?

You may also access the [FAQs](#) related to Two-factor authentication.

Take this [2 minute survey](#) and see how much you know about Two-factor authentication (2FA)

A "Close" button is located in the bottom right corner of the modal box.

Several options for 2nd verification* method

1. EU Login app

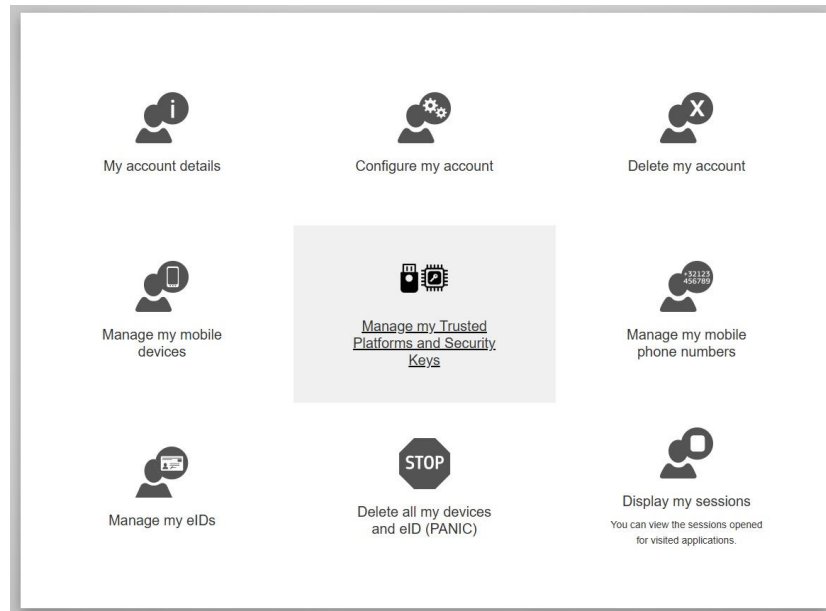

2. Security key (USB key)

3. Trusted platform

4. Passkey

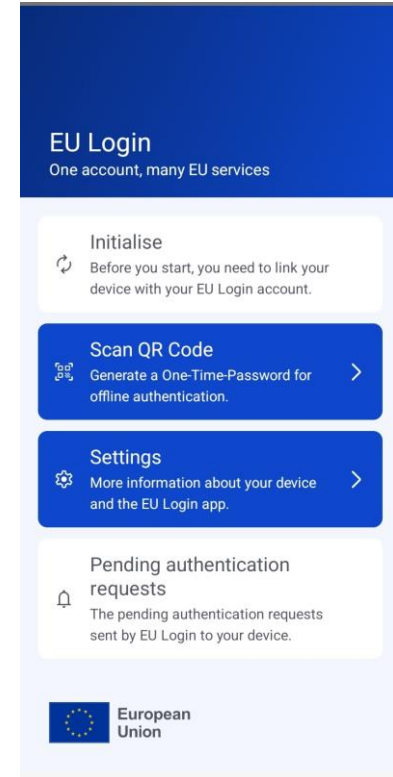

[Two-factor authentication in the Funding & Tenders Portal](#)

"To login with something you know (your password) and something you own (e.g. mobile phone or device)"

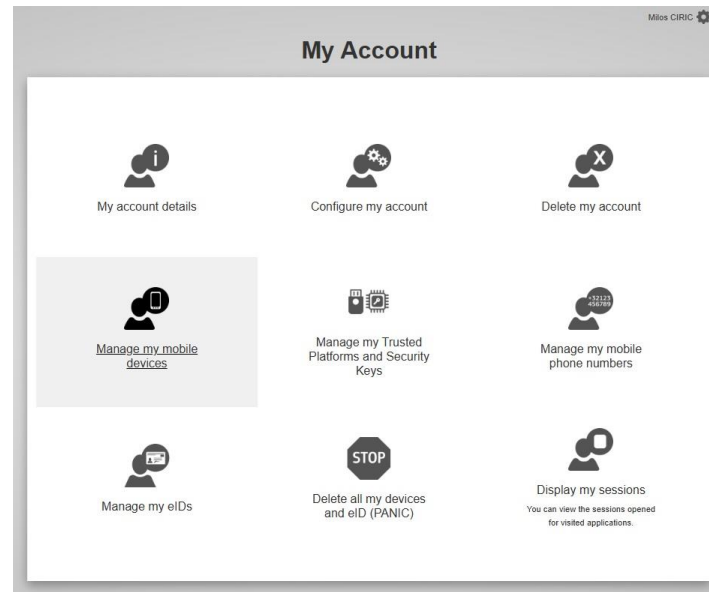

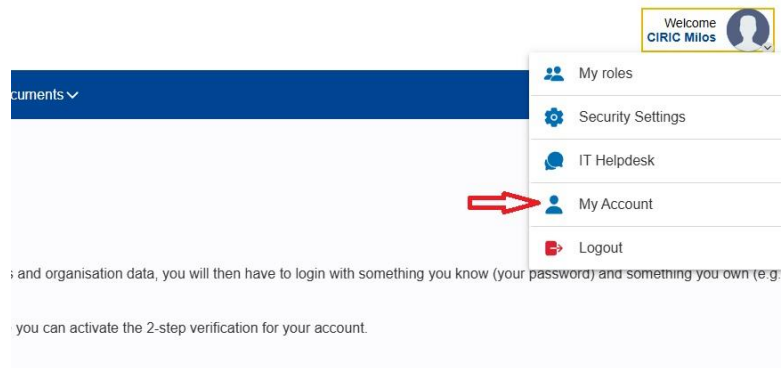

EU login App

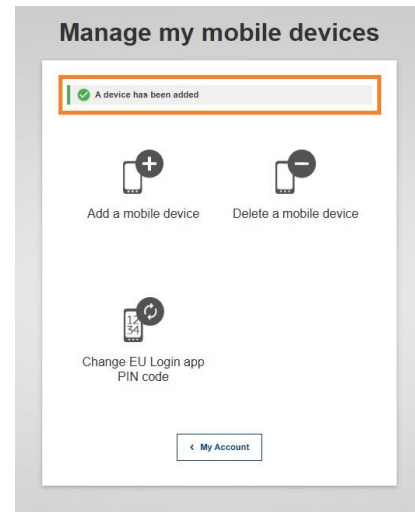

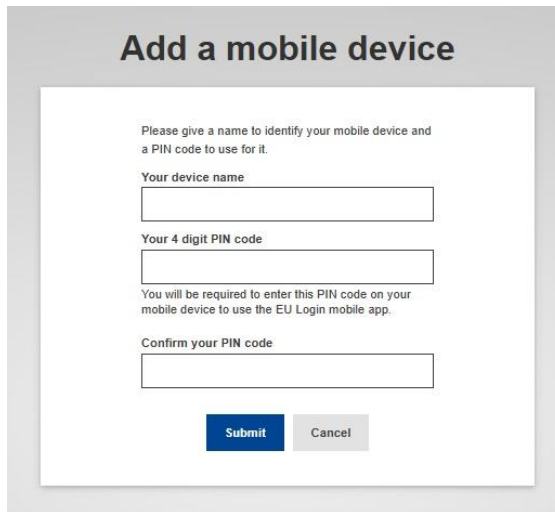

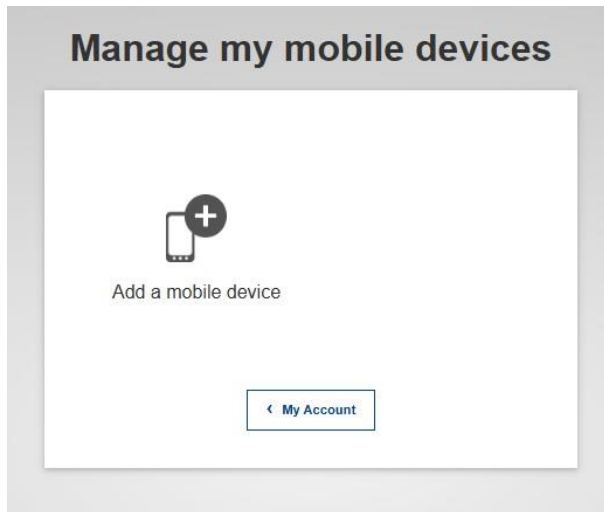

- ✓ *EU recommended it*
- ✓ *Very simple to install*
- ✓ *If we want to use other factors such as Trusted Platforms we can use EU login App as a second verification method*

EU login App

EU login App

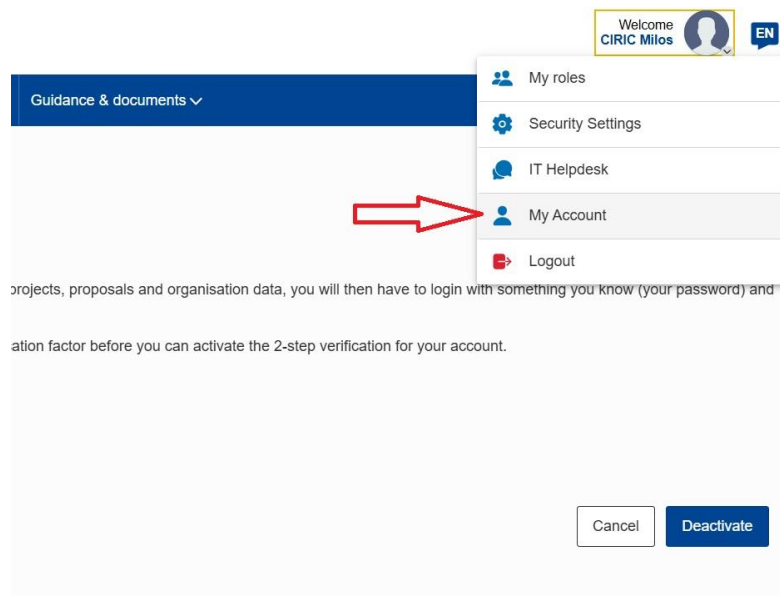

Scan QR code using your EU Login mobile app
Confirm via the app using your PIN code

www.biolaweb.com

Secure the access using PIN code related to your PC

"You need to have configured PIN code access in your PC first. When registering the trusted platform, EU Login will detect the TPM and ask you to use it as trusted platform."

Take-home message

- ✓ ***Do not wait*** until the last moment to switch to the two-factor authentication
- ✓ Use ***more than one device*** as a second factor
e.g. **EU Login app** and **Trusted Platform** on your PC
- ✓ Write down the answers to three security questions in case you lose your device(s)

Thank you for your attention!
